MNEMONICK

ONE PASSWORD FOR THEM ALL

Acer Mnemonick is the automatic authentication solution that uses the most advanced encryption techniques (use of 1024 bit X.509 digital certificates, varying from user to user, with standard AES 256 encryption). Acer Mnemonick also lets you sign e-mail, PDF and Microsoft Office documents with your personal digital certificate as well as encrypt files. The ideal combination of simplicity and total protection in a single code, to automatically access all your confidential information saved with your digital identity.
